Privacy Policy

Our primary goal in using client images online is to market and showcase the variety, capability, and potential of our photography services. Displaying our work on social media platforms and our website helps demonstrate our creativity and attracts future clients who align with our style.

However, if you prefer that we do not use your images online, we offer the following options:

1. **Cooling Period:** We will not use your images online for **3 months** from the date of the shoot. After this period, we will have permission to use the images. This option does not require any additional payment.
2. **Complete Privacy:** You can opt for complete privacy by paying an additional **10% of the original package** price. This compensates for the inability to showcase our work created with your images.

We will provide a model consent form to mutually agree on the chosen privacy policy, which we will strictly adhere to.
